3. Purpose of data use

Data are being used for the billing and processing of conference participation payments. This includes information about name, affiliation, membership in scientific organizations, and e-mail. In European project activities, data are being stored and processed according to the specific project requirements which have been agreed upon by project participants.

Data are being used only by employees of CentMa for the mentioned purposes. They will not be communicated to third parties.

4. Duration of data use

Data are being used as long as necessary for processing conference participation, for dealing with project activities, and for legal purposes. If you request deletion of data, we will immediately follow this request if no objection by project or legal requirements.

5. Your rights

According to law you have the right

- to receive information on the use of your data
- to correct or delete your data
- to limit processing of your data (limiting processing to storing)
- to object the processing of your data
- to complain with the relevant authorities

With an objection in the processing of conference participation data you cancel participation in conferences, where CentMa is responsible for financial management. We will deal with each issue upon receiving an e-mail with the relevant subject.
